

## **2017 Taproot Farm Volunteer Intern Application**

If you are an enthusiastic, hard-working, self-directed 18-35 year-old interested in learning firsthand about sustainable agriculture , permaculture, food production/preservation, the ARTS and natural building... Please tell us about yourself and why you would be a good match for Taproot Farm.

You may use the following questions as a guide but feel free to tell us anything else you would like us to know about you. Read the Taproot Volunteer Intern Information sheet to see our goals for interns in 2017.

Send your application to

[taprootfarmwv@gmail.com](mailto:taprootfarmwv@gmail.com) (cut/paste/or scan). We will review all applications and hope to choose our 2017 farm interns by March 2017. Feel free to email us if you have questions. And check out our Taproot Farm Facebook page and website [www.taprootfarmwv.com](http://www.taprootfarmwv.com) to see what's happening at Taproot Farm!

~~~~~

(give nice full answers please):

- 1.) Why are you interested in being a volunteer farm intern during the 2017 season and what are your particular interests?
  
- 2.) What previous experience and knowledge make you a good candidate for this position?
  
- 3.) What time periods are you available during the April- June 2017 growing season?
  
- 4.) Do you have interests and/or talents in Arts and Music? (we are starting a community arts center in town)
  
- 5.) What else do you want us to know about you as we consider your application?

Thank you, Beth and Tim
